Fridays of Lent are days of abstinence from meat for those age 14 and older. Good Friday is a day of both fast and abstinence. Fasting applies to those 18-59 years of age (only one full meal during the day with two lighter meals and no eating between meals).

We invite you to one hour of Eucharistic Adoration after the 12:15 p.m. Masses on all Fridays of Lent.

All are welcome to pray the Stations of the Cross on all Fridays of Lent at 7:00 p.m. in the hall.

IMPORTANT RENOVATION REMINDER

Work on the church building continues!

Just a reminder that **all Masses will be held in the hall** during the renovation process and we thank you for your patience during this time. Please note that the hall will be unlocked a half-hour before all Mass times.

We also ask for your patience in the parking lot because of the excessive amount of snow. Please use caution when driving, especially mindful of the pedestrians entering and exiting the school building for Sunday school and coffee and donuts.

My Dear Parish Family:

On this first Sunday of Lent our parish, along with Catholic churches throughout the world, are celebrating the *Rite of the Call to Continuing Conversion*. By virtue of their Baptism, the candidates have already been chosen and claimed by Christ. The candidates are now being “*called to continuing conversion*,” and so their intention to be fully initiated and share in the Eucharist is recognized. From this point on, the candidates enter into a period of intense spiritual preparation.

The Church, in the RCIA process, calls this time immediately preceding initiation the period of “*Purification and Enlightenment*.” Actually, that is what Lent is meant to be for all of us, who are already receiving the graces poured out through the sacraments of the Church. The Church calls us to reflect on our own baptismal graces, through prayer, penance, and almsgiving. We are called to examine our lives through increased prayer and penance; identify sins that keep us from becoming holy; purify ourselves through the sacrament of Reconciliation; and express our gratitude to God through the love of the poor by giving from our material and spiritual bounty. Throughout Lent we enter into the Passion of Jesus Christ. We turn our hearts and minds in prayer to *our own Way of the Cross*; we acknowledge our own wounds and turn them over to Christ, our Divine Healer. During the RCIA Reflection morning candidates and team members wrote on paper the obstacles in their lives that hold them back from experiencing a conversion of heart. During the weeks of Lent, the RCIA team and candidates will pray individually and collectively for those wounds to heal, placing their trust completely in the hands of our Lord.

As Catholics, we know what we *should* do during Lent. It is not a lack of “things to do” that has many of us wondering on Holy Thursday why Lent really wasn’t much different than any other forty days throughout the year. Like the candidates, may we begin this Lent by searching the depths of our hearts, confronting those obstacles that prevent us from moving forward, and abandon ourselves completely into the arms of Jesus Christ; then, we can rejoice and reflect in all that was *done* during these forty days in the name of Jesus Christ our Lord.

Please remember in prayer our candidates: *Matthew Slotter, Jennifer Vaccarino and Elene Zeltner*.

On behalf of the RCIA team and candidates, Holy Rosary parishioners will be remembered in prayer each Tuesday evening.

In Christ,

Anne DeMarco
Pastoral Associate
RCIA Coordinator

The Gospel of Life... Saint John Paul II writes in the encyclical *Evangelium Vitae*: “The fact that legislation in many countries, perhaps even departing from basic principles of their constitutions, has determined not to punish these practices against life, and even to make them altogether legal, is both a disturbing symptom and a significant cause of grave moral decline. Choices once unanimously considered criminal and rejected by the common moral sense are gradually becoming socially acceptable. Even certain sectors of the medical profession, which by its calling is directed to the defense and care of human life, are increasingly willing to carry out these acts against the person. **In this way, the very nature of the medical profession is distorted and contradicted, and the dignity of those who practice it is degraded.**”

...in the World. A disability right case is now headed to the Wisconsin Supreme Court, after losing in appeals court this past December. Remarkably, the appeals court agreed with a district court judge who ruled that the government “doesn’t have a constitutional obligation to...act to save a person’s life.” The case originated in 2009, when an organization called Disability Rights Wisconsin filed a lawsuit against five University of Wisconsin Hospital and Clinics doctors, claiming they violated the rights of two developmentally disabled patients by withholding medical treatment. One, a minor who had pneumonia and required artificial nutrition and hydration, died.
