Dear Parish Family,

This weekend we read the Gospel story of the wedding at Cana, one that is familiar to most of us as it tells us the first of the signs performed by Jesus in his public ministry. The story ends stating that because of this first sign “his disciples began to believe in him.” The word that seems to jump out here is “began.” It was a start, a new beginning in their lives that would eventually change them and the whole world forever. Over the next few years, the disciples would journey with Jesus, witness Him cure the sick, raise the dead, and feed thousands with seemingly nothing. They would hear Him preach and notice the multitudes He would attract to hear His words.

Yet, while their belief “began” with witnessing water become wine, that belief did not fully mature until Pentecost with the outpouring of the Holy Spirit. Only then did those same disciples boldly and courageously proclaim Jesus Christ as Lord and Redeemer of humanity. And so began their ministry and so began the Church.

It is through the Church that the ministry of Jesus and His first disciples continues in the power of the Holy Spirit. As Saint Paul reminds the Corinthians and us, the gifts of the Spirit are given to each of us for some benefit in different forms of service. That is how the Body of Christ, the Church, mirrors the Trinity—working in unity with different functions to manifest the will of God and build the Kingdom. The challenge for us is to be open to the gifts of the Spirit and activate them in our lives. Like the disciples, we too, must not only *begin* to believe but allow that faith to fully mature as the gifts of the Spirit develop within us.

As we move beyond the Christmas season, at what stage of maturity are we with our belief in God’s grace and work of the Spirit within us? Perhaps we are only just beginning as well, or maybe we have returned to the Church after some time away. Please realize, there is no wrong place to be on this continuum at any point in time. What is important is that we continue to move in the direction of an ever-deeper maturity in allowing the gifts of the Spirit to be active in our lives. The one thing to guard against is a move backwards against the workings of the Spirit, believing that our merely human efforts are sufficient. Without the Spirit, we cannot succeed.

So, as we continue our journey through this Extraordinary Jubilee Year of Mercy, let us continue to discover the gifts of the Holy Spirit within us and respond to those in service to the Lord and one another. Let us ask Mary, spouse of the Holy Spirit, to assist us in deepening our maturity of faith and belief in her Divine Son.

In Christ,  
Fr. Joe Previte
